2016 Student Leaders

---

*Dear Parents*

*Very soon our Year 5 students will commence the process of the selection of school leaders for 2017. The following information will explain the principles and processes involved in the nomination and voting process at the school. Whilst you may not have a child in Year 5, I am sure you will find this interesting.*

The key principles behind the Student Leadership Program at St Patrick's Parramatta are as follows:

We believe that:

- All children have the right to have a 'voice'
- Children can learn to work together and contribute their ideas to improve school life.
- All children can develop their individual capacity to lead and influence others in a responsible manner
- Leadership is about service to the community
- The Student Representative Council Program is an important program which gives children of all ages an opportunity to represent fellow students.
- Children can learn to make a positive difference in their community but there is a difference between popularity and effective leadership.

By the time children get to Years 5 and 6 the school hopes that the children have been exposed to the following factors.

- An opportunity to witness great models of servant leadership from the adults and children around them
- Have a strong interest in contributing to the community, particularly school based programs.
- Are beginning to become self aware; their strengths and areas of development.
- Are learning how to develop strong social skills such as empathy, cooperation, negotiation, collaboration, loyalty, problem solving and humility.

**The process for the selection of student leaders for 2017 commences on Monday 14<sup>th</sup> November, where the following process will be fully explained. They will be given an opportunity to ask questions, seek clarification and get important dates to take home to discuss with their parents.**

### **The Election Process SCHOOL CAPTAIN and VICE CAPTAINS**

- Teachers and School Leaders speak to children regarding leadership and the Election Process
- All children in Year 5 to prepare an A4 Poster with photo "What I wish you to know about me". This may contain information about their interest in leadership. (Teachers will provide students with greater details regarding this requirement in class)
- Posters to be displayed in the classroom and viewed by other students.
- Year 6 leaders to speak to Year 5 students about their leadership experience.
- Children in year 5 nominate a boy and girl for school captain. (Only students are eligible to nominate)
- Children can self nominate
- Top 4 nominations calculated and announced
- Children accept or decline nomination
- 4 students to present speeches
- Children in year 5 and staff who know children vote
- Preferential voting process to be used ie 1,2 for each boy and girl pair (1 school captain, 2 vice captain)

### **The Election Process SCHOOL LEADERS—ARTS, STEM AND PDHPE**

- Children in year 5 nominate a boy and girl for each portfolio and describe why they believe that student should be a school leader.
- Children can self nominate or nominate a child for multiple portfolios
- Top 3 nominations for each portfolio announced for boys and girls. (18 in total)
- Children accept or decline nomination
- Children in year 5 and staff who know children vote
- All positions announced

### **The Election Process COMMITTEES**

- Children interested in serving the community by being part of a 'Portfolio Committee' nominate themselves for one portfolio ie Religious Education, Science, Technology, Engineering and Maths (STEM) and ARTs (Language and Creative Arts)
- All children will be accepted for this position
- Children will need to be prepared to undertake their duties during recesses or lunch when required
- Colour Captains form the PDHPE Committee and are not members of the student leadership team. They are selected on merit by a panel of teachers and changed each semester. Colour Captains will receive a colour captain's badge

*The school encourages all students to demonstrate leadership through a variety of different opportunities. Students in Year 6 are recognised as the senior students of our school and are all perceived as leaders. To reinforce this belief a number of special privileges are afforded them.*

*If you have any questions regarding the Student Leadership Program please feel welcome to ring Mrs Elly Benkovich or myself.*

*God bless you and your family

## Year 4 Excursion- Arabanoo

On Friday 4<sup>th</sup> November Year 4 went on an excursion to Arabanoo- Sydney Harbour National Park to explore the bushland vegetation and Aboriginal heritage site.

We were greeted by the rangers who then led us on an exciting bushwalk through the National Park. It was a very hot day so Miss Takchi and Mrs Fardell made sure we were all wearing our hats and sunscreen and were drinking lots of water. On our journey through the bush we observed different species of flora including many Eucalypt trees which we are learning about this term in Science and Technology. We also saw some big lizards and insects and listened to the beautiful singing of the birds.

After our bushwalk journey, we arrived at Reef Beach. However as the tide was high we didn't have much room to sit on the sand and there was very little shade so the rangers, teachers and parent helpers led us on a rocky adventure to another beach where we had a rest and enjoyed eating our lunch whilst looking out at the crystal clear water and majestic views of Manly. Some of us were splashed by the waves as we crossed over the rocks but we didn't mind as it was extremely warm so it cooled us down.

The rangers showed us different tools used by the Indigenous tribes and we even got to taste some natural herbs that they used. They spoke to us about the importance of Arabanoo to the Indigenous Australians and why the site continues to be significant today.

We were really excited when we had the opportunity to go onto the sand and build our own sculptures by the sea of different sea creatures.

Year Four had a very enjoyable learning experience where we not only had lots of fun but were able to make connections to what we are learning about in class. We would like to thank our wonderful parent helpers: Mrs Romanos, Mrs Z Rahme, Mrs Maroun, Mrs Younes, Mrs D Rahme and Mrs Neroy without whose help our day would not have been as safe or successful. They helped the teachers by making sure we were safe and supervised throughout the whole day.

If you have some free time these Christmas holidays try to go to Sydney Harbour National Park-Arabanoo (Dobroyd Head) and explore this amazing part of Sydney. You won't regret it!!!
