Term 1 Issue 7

Dear Parents

**HAPPY ST PATRICK'S DAY!** Today the, 17<sup>th</sup> March is the feast day of our school's name sake and patron saint, St Patrick.

The life of St Patrick is such an interesting one and his association with the Irish people, combined with the enormous contribution the Irish convicts and settlers had on the establishment of the first colony, particularly Parramatta, makes him very significant to us. Just like St Patrick, these early convicts and free men and women brought the Word of God to these early settlers. It is through these early Irish Catholics that the first Australian Church was established and from there the first Catholic Schools. St Patrick's is known to be the oldest Catholic School in Australia, not on the original site. What an honour to have such an illustrious history. For those of you that are interested I have copied a brief history of our school from our website

St Patrick's is the oldest parish school in Australia.

- The parish school was established by Fr Therry in Hunter Street in 1820. In 1837 the school was relocated next to St Patrick's Church. In 1874 the girls and smaller boys were separated and taught in a school opposite the church.
- From 1874-1888 the Sisters of Mercy, Head House Monte Saint Angelo, North Sydney, were teaching at St Patrick's School Parramatta, in a building which was standing in front of the present O.L.M.C. in Victoria Road, then known as Pennant Street.
- The Sisters of Mercy from Callan, Ireland, then took up residence in Parramatta on 8th December 1888 at the invitation of Cardinal Moran. They re-opened the school on Monday 10th December, just two days later with an enrolment of 55 pupils.
- **In 1926 that building was demolished and a new building was erected at the corner of Villiers Street and Ross Street, the current site.**
- The senior girls moved to Westmead in 1966 to form Catherine McAuley High School. The primary school remains to this present day.
- The Sisters of Mercy handed the responsibility for the School to the first lay Principal Ms Joan Coyle in 1985.

A place of Heritage,  
Innovative Learning and Vision.  
Respect, Resilience and Compassion

You will notice from these dates, that the main administration building will be 90 years old this year. In other words the school has been on the current site, at the corner of Ross and Villiers Streets, for almost a century. What celebrations we can have on our 100<sup>th</sup> anniversary in 2026 God Willing!

A Christian hymn with old Irish lyrics is the Saint Patrick's Breastplate or Lorica and these words are often associated with St Patrick's ministry in the 5<sup>th</sup> Century. There is one verse which is particularly well known and it reminds us of the presence of Christ in every aspect of our existence. As we read this prayer and celebrate St Patrick's Day together, let us remember to always rise to the challenge of being Christ-like people with and for each other and in this regard continue to demonstrate the qualities we wish our children to aspire to.

You are all warmly invited to our St Patrick's Day Liturgy tomorrow at 2.15pm in the school hall.

God Bless you and your family

**THE STORY OF ST PATRICK**  
**St. Patrick: Hero of Christian History**  
**The True Tale of Patrick**

Jeri Tanner

*Much myth and legend surrounds the story of Patrick, born in Britain in the late 4<sup>th</sup> century. St. Patrick is often reduced to a mythical figure who performed magical feats (like driving all the snakes out of Ireland). The truth, as usual, is better than fiction!*

*All that can be known about Patrick comes from two documents written by him, one of which is "The Confession," his short autobiographical account. In it, Patrick tells how he was kidnapped as a youth from his devout father's comfortable home in Britain. Though Patrick's father was a deacon in the church and had taught him God's ways, Patrick had become a careless and rebellious young man. "I did not, indeed, know the true God; and I was taken into captivity in Ireland with many thousands of people, according to our deserts, for quite drawn away from God, we did not keep his precepts, nor were we obedient to our priests who used to remind us of our salvation."*

*Patrick was made a slave and a pig herder. There in the difficult and desolate country he found himself in, Patrick called on the Lord he had previously neglected. "But after I reached Ireland I used to pasture the flock each day and I used to pray many times a day. More and more did the love of God, and my fear of him and faith increase, and my spirit was moved so that in a day [I said] from one up to a hundred prayers, and in the night a like number; besides I used to stay out in the forests and on the mountain and I would wake up before daylight to pray in the snow, in icy coldness, in rain, and I used to feel neither ill nor any slothfulness, because, as I now see, the Spirit was burning in me at that time."*

*Patrick eventually escaped, having been directed in a dream to a ship which took him home to Britain. His relieved family entreated him never to leave! But one night he had a vision: "I saw a man whose name was Victorinus coming as if from Ireland with innumerable letters, and he gave me one of them, and I read the beginning of the letter: 'The Voice of the Irish'; and as I was reading the beginning of the letter I seemed at that moment to hear the voice of those who were beside the forest of Foclut which is near the western sea, and they were crying as if with one voice: 'We beg you, holy youth, that you shall come and shall walk again among us.' And I was stung intensely in my heart so that I could read no more, and thus I awoke. Thanks be to God, because after so many years the Lord bestowed on them according to their cry."*

*Patrick did return to Ireland, bringing the true gospel and establishing the church there. You can read the entire 'Confession of St Patrick' online. [ministry-to-children.com/st-patrick-history/](http://ministry-to-children.com/st-patrick-history/)*

### **QUALITY CATHOLIC SCHOOLING (QCS) SURVEY**

Dear Parents

All Catholic schools in the Diocese of Parramatta will be once again participating in the **Quality Catholic Schooling (QCS)** survey.

The QCS survey provides information from students, staff and parents about our school's cultural behaviour, relationships and learning community, and assists us in our focus on continuous improvement.

Between 21 March and 1 April 2016 all staff and *all Year 5 & 6* students, and 60 randomly-selected parents will be asked to complete an online survey. Staff and students will complete the survey online at school. Parents will be sent home a paper survey but will also be able to complete the survey online if preferred. The survey will take about 20-30 minutes to complete.

This year we will again be able to get even more information about the link between student wellbeing and learning outcomes. To do this we will need to include a student identifier in the student survey. **The survey will still remain confidential and individual survey responses will not be accessible by the school or the Catholic Education Office.**

An independent survey consultant (Insight SRC) who manages the data collection will ensure the survey data is kept strictly confidential. Each school will receive a de-identified information report at the end of May to help them to develop strategies for further improvement. This will definitely help us in working with all students to improve their learning. If you have concerns, please feel free to contact Mrs Benkovich or me.

As a parent if you are randomly-selected to complete the survey, I would encourage your participation as this will help our school to identify our strengths and areas in which we can focus our improvement.

**Again can I reassure you that the responses you supply are anonymous to the school and the system. If you have been selected and require any assistance regarding access or use of technology please ring the office so that we can provide you with the help you require.**

Regards and thanks

## **EARLY YEARS ASSESSMENTS (EYA) - LITERACY**

Improving learning outcomes for all students is at the heart of the Catholic Education, Diocese of Parramatta's (CEDP) strategic intent.

The National Inquiry into the Teaching of Literacy (2005) stated that **“the assessment of all children by their teachers at school entry and regularly during the early years of schooling is of critical importance to the teaching of reading, and in particular, to identify children who are at risk of not making adequate progress.”** They concluded that early assessment is a key responsibility of system and school literacy planning.

In light of this diocesan statement Early Years Assessments are undertaken by classroom teachers of Kindergarten, Year One and Year Two in all primary schools across the Diocese of Parramatta. These have been taking place over the last few weeks, including this week and the diocese supports schools by funding the replacement of class teachers for the day to undertake individual literacy interviews with the children. Some assessments are conducted as a whole class. This very important literacy data is then analyzed and used at a student, school and diocesan level and compared to mid year and end of year results.
