

2nd February 2021

SCHOOL TRAVEL ARRANGEMENTS 2021

Dear Parents,

The safety of all students at St Patrick's is very important to us. To enable the smooth running of afternoon dismissal can you please provide us with information on how your child(ren) will be getting home as soon as possible. We understand there may be the odd change throughout the year, so please include only the information that is pertinent for the majority of the time.

PICK UP WALK INS

- Due to the continuation of COVID restrictions, parents will be required to enter via the Ross Street entrance, where a teacher will call your child's name. You can meet your child in the COLA area, exiting the school via the Villier's Street gate. This will ensure social distancing can be maintained.

WALKING HOME ALONE/WITH OLMC SIBLINGS

- If you give permission for your child to walk home alone they will be allowed to exit the gate without an adult. We will provide a label that can be added to their school bag so to clearly indicate they have permission to walk home. We do not recommend children from Year 4 or younger be allowed to walk home alone.
- Any child who needs to cross Ross Street will be walked to the crossing at 3.15pm.
- OLMC Siblings who will be picking children up, need to be at St Patrick's before 3.30pm.

CATCHING THE BUS

- Please indicate which bus and from where it is caught.
- If your child catches a bus Miss Fabri will determine safety conditions.
- Masks are mandatory for all students 12 and over on public transport and recommended for younger students.

ATTENDING OOSH

- Please include days your child will be attending OOSH and the name of the OOSH.

DRIVE THRU

- This year we will be offering the service of creating a sign for your car. It will be an A3 sheet with your family name and children's class/es laminated which can be used for the car display. We are asking for a donation of \$1.00, which we will be donated to St Vincent de Paul. Please include your \$1.00 with your travel arrangement sheet.

Please indicate on the attached Form the regular travel arrangements you have made for your child for each school day. If the listed arrangements change at any time during the year, please fill in a new advice form which can be collected from the school office.

Yours faithfully
Leanda Standring
